7. The agreements contemplated by this Protocol will, as between any two Adhering Parties, be effective on the later of the Effective Adherence Dates of the two Adhering Parties. Such

agreements contemplated by this Protocol will apply to any Standard FX Instructions or Opening Instructions, as applicable, submitted to the CLS Netting System by or on behalf of an Adhering Party, regardless of whether such Standard FX Instructions or Opening Instructions, as applicable, are submitted before or after such Effective Adherence Date.
